

Vasario™

Standard Duty Cash Drawer Series

APG® CASH DRAWER

APG CASH DRAWER®

APG's Vasario standard duty cash drawers are truly "best of class". Each member of the Vasario cash drawer family is competitively priced and includes features found in more expensive cash drawers.

Electronically activated Vasario cash drawers will provide over one million cycles of trouble-free service and include a drawer compulsion switch at no additional charge as a standard.

Manually operated Vasario cash drawers will provide over three hundred thousand trouble-free operations and are extremely cost effective for applications that require a manually activated solution.

- ◆ Two year limited warranty
- ◆ Lock conveniently located in the center of the drawer front
- ◆ Standard drawer compulsion switch
- ◆ Attractive and durable powder coat paint finish
- ◆ Durable steel construction with a roller bearing suspension system
- ◆ A variety of styles, sizes, colors, interfaces and till configurations

19" Wide Vasario™ Cash Drawers

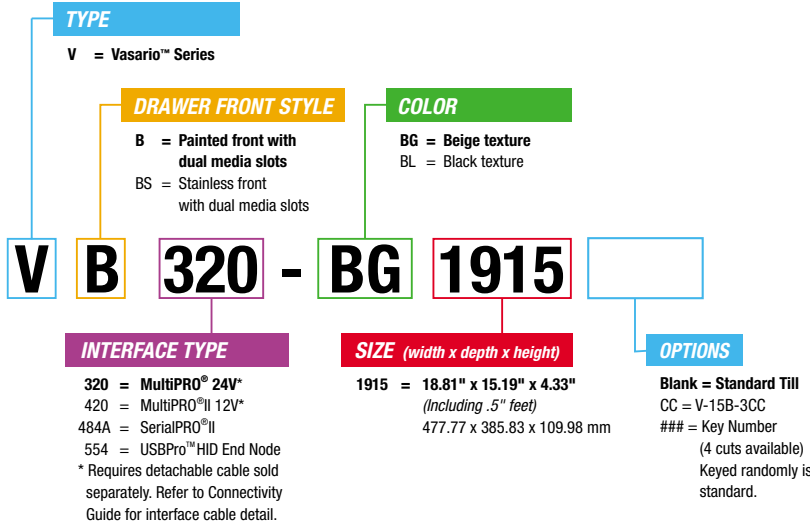

The 19" wide footprint is the flagship of the Vasario series. Like all APG cash drawers, it is truly a "best of class" product. The 18.81" x 15.19" footprint is excellent for hospitality, outlet malls and many other applications. It includes many features typically found in more expensive cash drawers and is the perfect solution for applications that can be addressed with a standard duty cash drawer. Choose from the available options: colors, drawer front styles and interfaces to suit your specific needs.

- ❖ Dual media slots
- ❖ Four function lock located conveniently in the center of the drawer front
- ❖ Drawer compulsion switch indicates **closed** and **latched status**
- ❖ MultiPRO interface optimizes connectivity
- ❖ Additional popular interfaces available
- ❖ Choice of stainless steel or painted front
- ❖ Optional low cost till cover can be stored in the drawer
- ❖ 18.81" width x 15.19" depth footprint matches popular competitive products

16" Wide Vasario™ Cash Drawers

The narrow 16" wide footprint of the 1616 and 1618 Vasario cash drawers provides a compact foundation for smaller terminals and POS applications with space constraints. The 16.20" x 16.33" or 16.20" x 18.33" are standard foundation sizes for electronic cash registers (ECRs). They are a great fit for small to mid-sized retail applications. The standard MultiPRO interface provides for easy configuration of these drawers to operate with popular receipt printers, ECRs and POS terminals. Choose the appropriate: sizes, drawer front styles, colors, interfaces and till configurations to suit your specific requirements.

- ❖ Dual media slots
- ❖ Four function lock located conveniently in the center of the drawer front
- ❖ Drawer compulsion switch indicates **closed** and **latched status**
- ❖ MultiPRO interface optimizes connectivity
- ❖ Additional popular interfaces available
- ❖ Choice of stainless steel or painted front
- ❖ Dual currency till option available for multiple currency applications

14" Wide Vasario™ Cash Drawers

The 14" wide footprint is the smallest of the Vasario cash drawer series. These sub-compact cash drawers are logical solutions for kiosk systems, concession sales, and similar applications where space is at a premium. Even though the 1416 is small in size, its standard four bill, five coin compartment till provides ample capacity. The MultiPRO interface optimizes connectivity flexibility.
