MCD 1060

MCD 1050

All MMF Manual Cash Drawers feature "touch button" drawer release and separate key lock. They can be key locked or "touch button" opened for ease and repetitive use. Alarm bell sounds each time the drawer is opened or the bell can be disconnected if desired. The drawers can all be mounted above or below the counter.

MCD 100 Manual Cash Drawer

Heavy-duty unitized construction provides durability and security. Textured, hybrid powder coat finish in Putty, Black, Galaxy Gray or Cool White with stainless steel front panel presents a professional looking addition to a Point of Sale station. The permanent guide rails and nylon/steel bearing wheels combine for smooth operation. This drawer comes with a removable ABS "Tuffly" cash tray, 5 coin/5 bill and spring loaded steel bill weights.

Dimensions: 18.81" W x 15.18" D x 3.87" H (Also available 19.75" D).

MCD 1060 Manual Cash Drawer

The perfect cash drawer for high traffic areas because it features a convenient "touch button" release for faster transactions! It also has a disc tumbler key lock, for extra security. An alarm bell sounds each time the drawer is opened; it can be de-activated if necessary. Space saver size fits under most cash registers or counters and comes with mounting hardware and cash tray cover. The 5 coin/5 bill Duralite Cash Tray has spring loaded plastic bill weights and the area beneath the tray can be used for check, media and currency storage. This unit is available in Silver/Gray Hybrid Powder Coat finish.
